Dear Parent/s

Grade 4/5/6 Camp Final Update

After months of planning, camp is less than a week away! Excitement levels are high and we are putting the finishing touches on all arrangements.

Please use the **checklist on the back** of this note to make sure you and your child/children are fully prepared.

Help Needed

We have had no offers of help to load and unload our luggage into the horse float. Without helpers we run the risk of not packing the float in time and either missing the train or lugging our luggage onto the train. Ideally, two to three helpers are needed to make sure all luggage is loaded.

Activity & Cabin Groups

A copy of activity and cabin groups is attached. All students have at least one person in their cabin from their list of friends given to staff.

If you have any questions, concerns or can help load/unload luggage at the station, please contact me.

Kind regards,

Carolyn Crowther
